

# **Pommery Dorset Seafood Festival 14th & 15th July 2018**

## **Volunteers needed for the UK's largest FREE seafood festival!**

### **Overview**

Our award-winning festival celebrates Dorset's link to the sea and the fishing communities of the local area. Fish and seafood is prepared, cooked and eaten around the harbour and there's a packed timetable of entertainment over the course of the weekend. The festival is proud to continue to raise funds for the Fishermen's Mission - the vital port of call for fishermen and their families.

As the festival continues to grow in size and complexity, so does the need for extra pairs of hands to fulfil the variety of tasks we face as event organisers.

Therefore, we are looking to recruit a number of volunteer 'Festival Crew Members' to help us deliver the 2018 event.

**About the organiser:**

The Pommery Dorset Seafood Festival is organised and operated by Dorset Seafood Festival Ltd.

We are a not for profit organisation, whose aims were to create a nationally recognised event for Weymouth and to highlight both the advantages of eating seafood for health reasons and the importance of sustainability within our seas.

We have from year one, and continue to, support the Fishermen's Mission as the chosen charity for the event.

This has provided an enormous platform for the charity to deliver its message and has raised tens of thousands of pounds over the last nine years.

Weymouth now has its own Fishermen's Mission Officer, solely from the efforts of the event.

Your help to deliver another fantastic event will be greatly appreciated.
